RE: Collective Bargaining Proposals  
Public Meetings Notice

Pursuant to Section 3523 of the Ralph C. Dills Act, on February 11, 2013, CalHR announced it had scheduled public meetings beginning February 28, 2013 and ending March 14, 2013, to allow the public to comment on initial collective bargaining proposals and counterproposals made by State management and employee unions.

CalHR finds it necessary to establish three additional public meetings during which the public is invited to receive collective bargaining proposals and counterproposals and to comment on the same.

The scheduled meetings are:

**Thursday, March 28, 2013**  
**Thursday, April 11, 2013**  
**Thursday, April 18, 2013**

These meetings will be held at 1:00 p.m. at the Department of Human Resources, 1515 S Street, North Building, Fourth Floor - Conference Room A/B, Sacramento, CA. Each meeting will follow this format:

- I. New proposals
- II. Responses to any new proposals presented at the previous public notice meeting
- III. Public comment on union or management proposals or counterproposals

State employee unions or State management may present initial proposals at any public notice meeting. Parties presenting proposals must arrive no later than the scheduled start of the meeting, and have in their possession at least 25 copies of their proposals to distribute to interested members of the public.

If further public meetings are needed to present additional initial proposals, CalHR will

announce the dates in another public notice.

Copies of the proposals and counterproposals from these public meetings will be available at the [CalHR website \(www.calhr.ca.gov\)](http://www.calhr.ca.gov) within one day. If no proposals or counterproposals are presented, we'll indicate on the website that no initial bargaining proposals were presented or received.

Copies of proposals and counterproposals from these public meetings, as well as any additional proposals that arise during negotiations will also be available at the following locations:
